CENTRAL ADMINISTRATION

Leon H. Farrin
Superintendent of Schools

To the class of 1991

I have a special feeling for the Class of 1991. We are both leaving the Weymouth Public Schools after thirteen years together. We have lived together through Proposition 2½ and subsequent budget problems with school closings, program cutbacks, and numerous inconveniences and disappointments. You are to be commended for the way that you have adapted to these changes and particularly the consolidation of high schools. You have continued to excel academically, athletically, and socially. I am proud to have been associated with you. Good Luck to each and every one of you in your future endeavors.

Robert West
Associate Superintendent of Schools

The students and staff of Weymouth High School/Vocational Technical School made the consolidation work and it is they who deserve all the praise and our thanks. It is still a school in the process of becoming, and while much has been accomplished, I believe that it is in the future that the full potential of this new community will be realized!

PRINCIPALS

Together we can, and we did. Congratulations to the Class of 1991 for showing leadership and responsibility during the transition year of Weymouth High/Weymouth Vocational Technical High.

Edward W. Knight Jr.
Principal

To the graduating class of 1991, I wish you prosperity, long life, and the benediction of this old Irish prayer:
Take time to work — it is the price of success.
Take time to think — it is the source of power.
Take time to play — it is the secret of perpetual youth.
Take time to read — it is the foundation of wisdom.
Take time to be friendly — it is the road to happiness.
Take time to dream — it is hitching your wagon to a star.
Take time to love and be loved — it is the privilege of the gods.
Take time to look around — the day is too short to be selfish.
Take time to laugh — it is the music of the soul.

William L. Concannon
Assistant Principal

Congratulations to the class of "91" I have enjoyed working with you and wish you success in all your future endeavors. "There is no substitute for hard work."

Anthony F. Ciampa
Assistant Principal

PRINCIPALS

I would like to express my sincere gratitude to the faculty, and the students, and to the many parents who have unselfishly of their time and energy to insure that this would be both a memorable and successful year.

Richard J. Steele
Coordinator of Consolidation

Every successful person has experienced an occasional failure; however, successful people have the ability to keep on going no matter how discouraging life may become. A positive mental attitude is the realization that there is a solution for every problem. Your self image dictates how successful you will be. The way you perceive yourself will either be a restriction or a license to achieve. Hopefully we have provided the opportunity for you to develop confidence, growth, and the ability to succeed. Best of Luck.

Eugene Stenstrom
Director of Occupational and Vocational Education

With this my last year in Weymouth, I will have fond memories of the class of 1991. I have enjoyed working with your class and wish each and everyone of you success and best wishes in all your future endeavors. Congratulations and good luck.

This year's senior class officers represent the elected officers of South, North, and the Vocational Technical High School. They worked hard during the summer to make the consolidation of the three schools a smooth one. They were successful! During the year they continued to work hard to make our senior year the best ever.

The production of this year's yearbook was very difficult, but our small staff was extremely determined. Co-editors Doreen Couto, Karen Soule, and Alison Gramazio worked tremendously hard to fill the book with special memories for all of us. They deserve a lot of credit for the job they have done in creating the 1991 Weymouth High School yearbook.
